

LORD OF THE DANCE

G

I danced in the morning when the world was begun

D7

I danced in the moon, the stars and the sun

G

I danced down from Heaven and I danced on Earth

D7

G

At Bethlehem I had my birth

Chorus:

Dance, then, wherever you may be

D7

I am the Lord of the Dance, said He

G

And I'll lead you all, wherever you may be

D7

G

And I'll lead you all in the dance, said He

I danced for the scribe and the Pharisee

They would not dance; they would not follow me

So I danced for the fisherman, for James and John

They came with me and the dance went on

I danced on the Sabbath and I cured the lame

They holy people said it was a shame

So they whipped, they stripped, they hung me high

And they left me on the cross to die

I danced on a Friday, when the sky turned black

It's hard to dance with the Devil on your back

Oh they buried my body, they thought I'd gone

But I and the dance still go on

They cut me down, but I lept on high

I am the light that will never, never die

But I'll live in you if you'll live in me

I am the Lord of the Dance, said He
